

User Manual

User interface

- *External Data View:* In this view, it can be seen the data shaped as required, this data comes from the given endpoint:

<https://samplerspubcontent.blob.core.windows.net/public/properties.json>

And every row has a green button to perform the action of adding the record into the database. To save the data from the Json file just click on the “Add to internal data” button for the desired row.

The screenshot shows a web browser window with the URL 'localhost:4200'. The page title is 'Roofstock'. In the top right corner, there are two tabs: 'External Data' (active) and 'Internal Data'. A red arrow points to the 'External Data' tab. The main content area displays a welcome message 'Welcome to Roofstock properties' followed by the heading 'External Properties Data'. Below this is a table with the following columns: Address, Year Built, List Price, Monthly Rent, Gross Yield, and Action. Each row in the table represents a property and includes a green button labeled 'Add to internal data' in the Action column.

Address	Year Built	List Price	Monthly Rent	Gross Yield	Action
000-X Moneta Way	1952	\$189,000.00	\$1,599.00	10.15%	<button>Add to internal data</button>
524 Burlington Avenue NE	1980	\$107,000.00	\$895.00	10.04%	<button>Add to internal data</button>
935 Alabama Street	0	\$0.00	\$0.00	00.00%	<button>Add to internal data</button>
1762 NW Glenridge Street	1986	\$102,000.00	\$850.00	10.00%	<button>Add to internal data</button>
726 Lime Avenue NW	1986	\$104,000.00	\$970.00	11.19%	<button>Add to internal data</button>
4200 Skyway Dr	1987	\$114,000.00	\$920.00	09.68%	<button>Add to internal data</button>
3281 Kent Drive	1977	\$120,000.00	\$1,025.00	10.25%	<button>Add to internal data</button>
718 Reading Street SE	2002	\$108,000.00	\$950.00	10.56%	<button>Add to internal data</button>
971 Fairhaven Street NE	1992	\$100,000.00	\$800.00	09.60%	<button>Add to internal data</button>
1359 Carr Circle NE	0	\$0.00	\$0.00	00.00%	<button>Add to internal data</button>

- *Internal Data View:* In this view, it can be seen the data shaped as required, this data comes from the database.
